

Day on Waiheke - 26th January 2016

The day was awesome. Can't think of anything that could be changed. Thank you for the opportunity to enjoy it! Curtis P

Loads of fun and laughter ☺ Thanks for organising such a great day! Deepika N

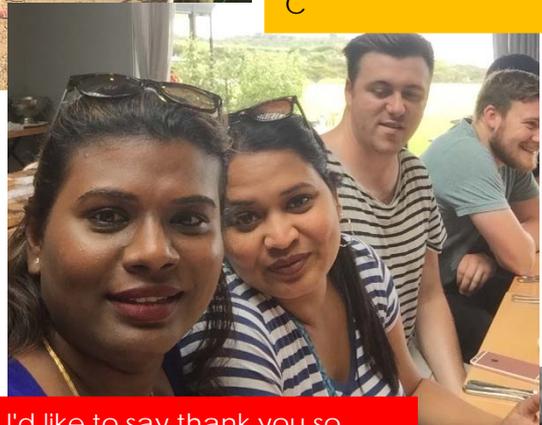

The day in Waiheke was AMAZING!! Everything about it. I don't think I can think of any bad or ugly bits (apart from when I fell off the Segway which was my own fault) ☺
I think it was superbly organised, great food and great people. Thanks for giving me the opportunity to go. Hope P

I can't fault yesterday at all. The day went smoothly, we were watered and feed very well and the activities (especially the Segway) were a lot of fun! Thank you for organising it!

Waiheke was awesome, the whole day was amazing, thanks heaps for planning a great day out.
The vineyards/restaurant/food were amazing, as were the activities. I would recommend not to change anything! James C

Could not have asked for better. Our driver was great, prompt and really helped ensure we were on time throughout the day.
Each venue was fantastic, LOVED Wild on Waiheke, staff were great, food was awesome. Cable Bay was fantastic, delicious, professional staff etc. Segwegs were a personal highlight, so much better than I was expecting. The organisers did a great job of keeping it fun and competitive.
I thought Mudbrick was great. I really enjoyed it. All in all a 10/10 - couldn't offer a single improvement - except more time to enjoy each venue ☺

First off I'd like to say thank you so much for organising the day! It was amazing!!
I thought everything was awesome - transfers went smoothly, we always had something to do and the activities meant we got to see heaps of the island and were all things I had never done before!
There was no point of the day that was 'bad' or that I didn't enjoy.
